PROFILE

I am a recent graduate with a Bachelor's degree in Computer Science from BINUS University, Indonesia, achieving a GPA of 3.59. I have a keen interest in programming and have completed fundamental courses in HTML, CSS, JavaScript, jQuery, and C. The main programming languages I am proficient in include HTML, CSS, JavaScript, basic PHP, basic NodeJS, and basic MySQL. I am also well-versed in using React JS. Additionally, I am willing to learn new programming languages as per the company's requirements.
